

Basketball Qualification to the State Team Tournaments

Twenty-four (24) teams will make the state team tournaments for their respective division

Each championship division will have three sectionals based on geographic alignment

Each sectional tournament will have an eight team tournament

The sectional tournament will be seeded based on their AIA power ranking

Each sectional tournament will be played at centralized site, as determined by the AIA

The top four from each sectional tournament will earn an automatic spot in their respective 24 team state tournament

The four automatic qualifiers, plus 12 at-large qualifiers, will make up the 24 team state tournament for their respective division and be seeded based on AIA power rankings

Teams seeded No. 1 through No. 8 will get a first round bye

Centralized venues, as determined by the AIA, for all five rounds of the state tournaments

The AIA will work to schedule a minimum of two games at one site per tournament round, thus reducing the number of venues needed for all rounds of the tournament

Teams will be placed at the sites by the AIA
